LOS ANGELES

Visit sunny Southern California and experience the land where Hollywood stars meet the country's finest surf. Venice Beach and Santa Monica pier are some of the golden coasts highlights while a walk down the historic Hollywood Boulevard illuminates America's cinematic roots.

HOLLYWOOD BOULEVARD

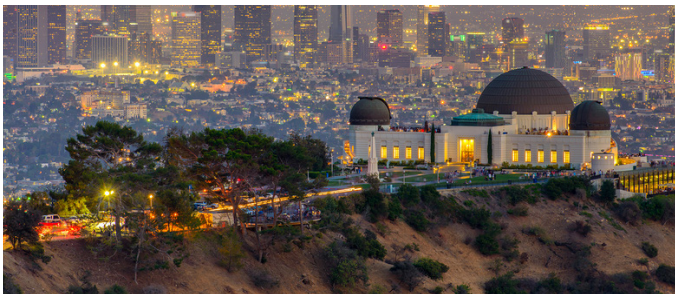
The stars on the famous Walk of Fame couple with the historic theatres to take you back to the golden age of cinema on this iconic street.

SANTA MONICA PIER

Enjoy everything from thrill rides at Pacific Park to an interactive aquarium, all while looking out at one of the most beautiful ocean views.

LOS ANGELES COUNTY MUSEUM OF ART

Featured in many films, this museum houses one of the finest collections of modern and contemporary art in the United States.



GRIFFITH PARK AND OBSERVATORY

Soak up the breathtaking views of downtown Los Angeles and learn about the history of astronomy at this premiere planetarium and observatory.
