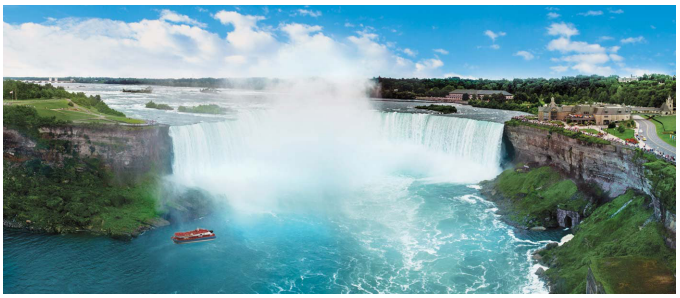
TORONTO

Head north of the border and see one of North America's most dazzling natural wonders before taking to the metropolitan center of Canada.



VOYAGE TO THE FALLS TOUR

Experience a boat tour of the Great Gorge, American Falls, Bridal Veil Falls, and a up-close and personal encounter with the thundering water.

CN TOWER

Considered the tallest building and free-standing structure in the world at 1,815 ft., the observation decks afford panoramas of all of Toronto.

KENSINGTON MARKET

This National Historic District is a buzzing shopping center and neighborhood that breathes the air of the local Toronto culture.

ILLUMINATION OF THE FALLS

Witness the nightly spectacle as the falls are painted in rainbow colors before a massive fireworks display lights up the sky above.
