WASHINGTON D.C.

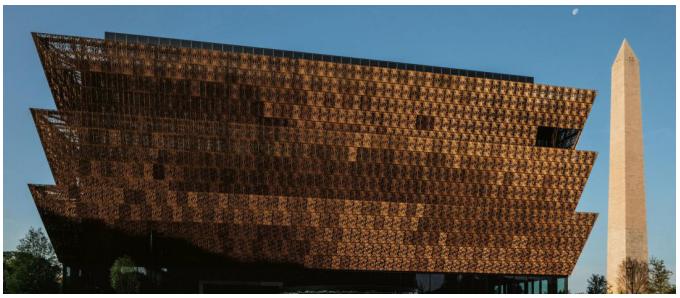
Touring the nation's capital is the perfect way to blend learning about civics and government with uncovering the past of the United States. Premiere museum collections house the most important artifacts from the country's beginnings and beyond, all encompassed in an aura of prominence.

NATIONAL MALL

Immerse yourself in the history of our country as you visit a host of memorials honoring Jefferson, Lincoln, Martin Luther King, and many more.

U.S. CAPITOL

Take a tour of the building where Congress debates our most important laws and sets the framework for our nation.



NATIONAL MUSEUM OF AFRICAN AMERICAN HISOTRY

This brand new, state-of-the-art space brings years of bravery and struggle to light as it celebrates the African American culture in the U.S.

SMITHSONIAN MUSEUM

Whether learning abou the history of our nation or diving into the beginnings of life on Earth, Smithsonian museums offer the best in collections that are free to the public.
